

## HILLTOP NEIGHBORHOOD HOUSE WISH LIST

You know the phrase, “**Many hands make light work!**” Hilltop thrives because people work together with their time, talents and money to serve our community. The following wish lists include items that are critical to our programs’ success. These are items we use daily, but you may also have ideas for how to help Hilltop – from sponsoring an event or contributing your own goods or services. If you, your church, friends, school, civic group or office are interested in conducting a drive for any of the follow items or learning more, please call us at (219) 477-4222.
